

Lazarus' Wedding

God's grace far surpasses our imagination! 15 years ago, our Senior Missionary, Bro Lazarus Lim, who was only 27 years old then, was found critically injured after falling 15 floors from his home's window under the influence of pills and glue sniffing. His injuries were so extensive that he even lost the ability to walk and, in the eyes of man, had no future. Who would have thought that within this disaster laid hidden blessings from God.

God worked through the love and concern of one of Lazarus' doctors who shared the Gospel with him and brought him to know the Lord. He referred Lazarus to Breakthrough Missions in 1992, from then on Lazarus' life was led by God's loving hands, and he was empowered with renewed strength to face the challenges of life and talents with which he could serve the Lord. The Lord provided for all his needs, and blessed him with a flat and a car so he lacks nothing. God has also given Lazarus the greatest blessing. He and Sis Lisa Goo tied the nuptial knot in Holy Matrimony at Queenstown Chinese Methodist Church on 21 July 2007 with the blessings of the brothers and sisters in Christ. This year, God bestowed an adorable baby upon Lazarus and Lisa. Little Lemuel was born on 15th July 2008 at Mount Alvernia Hospital. Lazarus and Lisa chose this name for him as it means "devoted to God."

May the Lord continue to use the family of Lazarus and Lisa as a testimony to show God's wonderful grace to the world and enable Lazarus and Lisa to lead their child on the path of the Lord, and build a beautiful family that is pleasing to God!
